... possible,
without surrender,
be on good terms
with all persons.
Speak your truth
quietly and clearly;
and listen to
others, even to the
dull and the
ignorant; they too
have their story.
Avoid loud and
aggressive persons;
they are vexatious
to the spirit. If
you compare yourself
with others, you
may become vain or
bitter, for always
there will be
greater and lesser
persons than your-
self. Enjoy your
achievements as
well as your plans.

Curriculum Changes Highlight 1972-73

All areas of study featured curriculum changes during the school year 1972-73 at North College Hill High School.

The English department incorporated six new mini-courses: creative writing, developmental reading, drama, journalism, poetry, and multi-media.

A new course open to juniors and seniors, Co-Ed Recreation, includes volleyball, square dancing, first-aid, and tennis.

The Science department expanded its curriculum to include physical science and earth science.

New mini-mathematics courses offered to third and fourth year students are calculus, computer

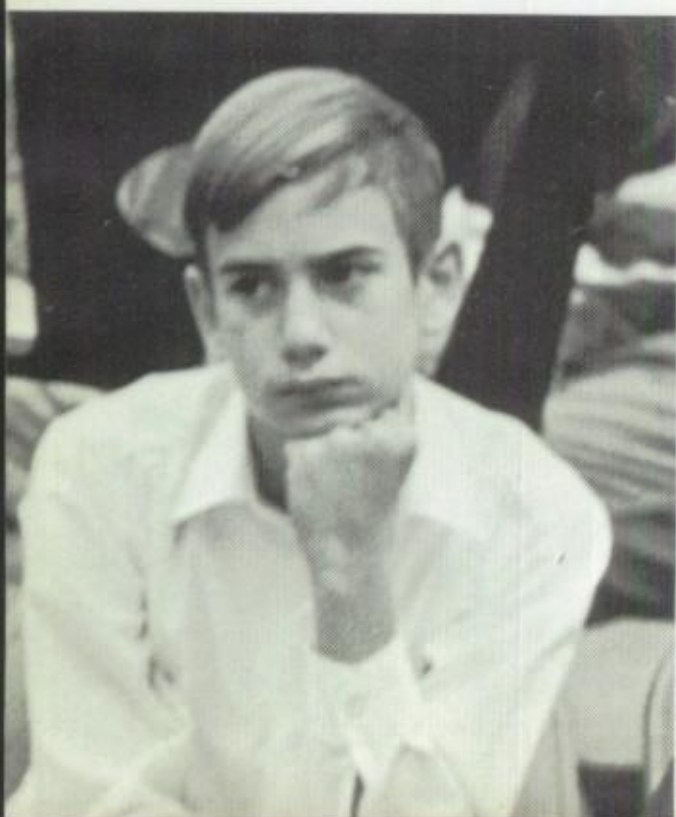

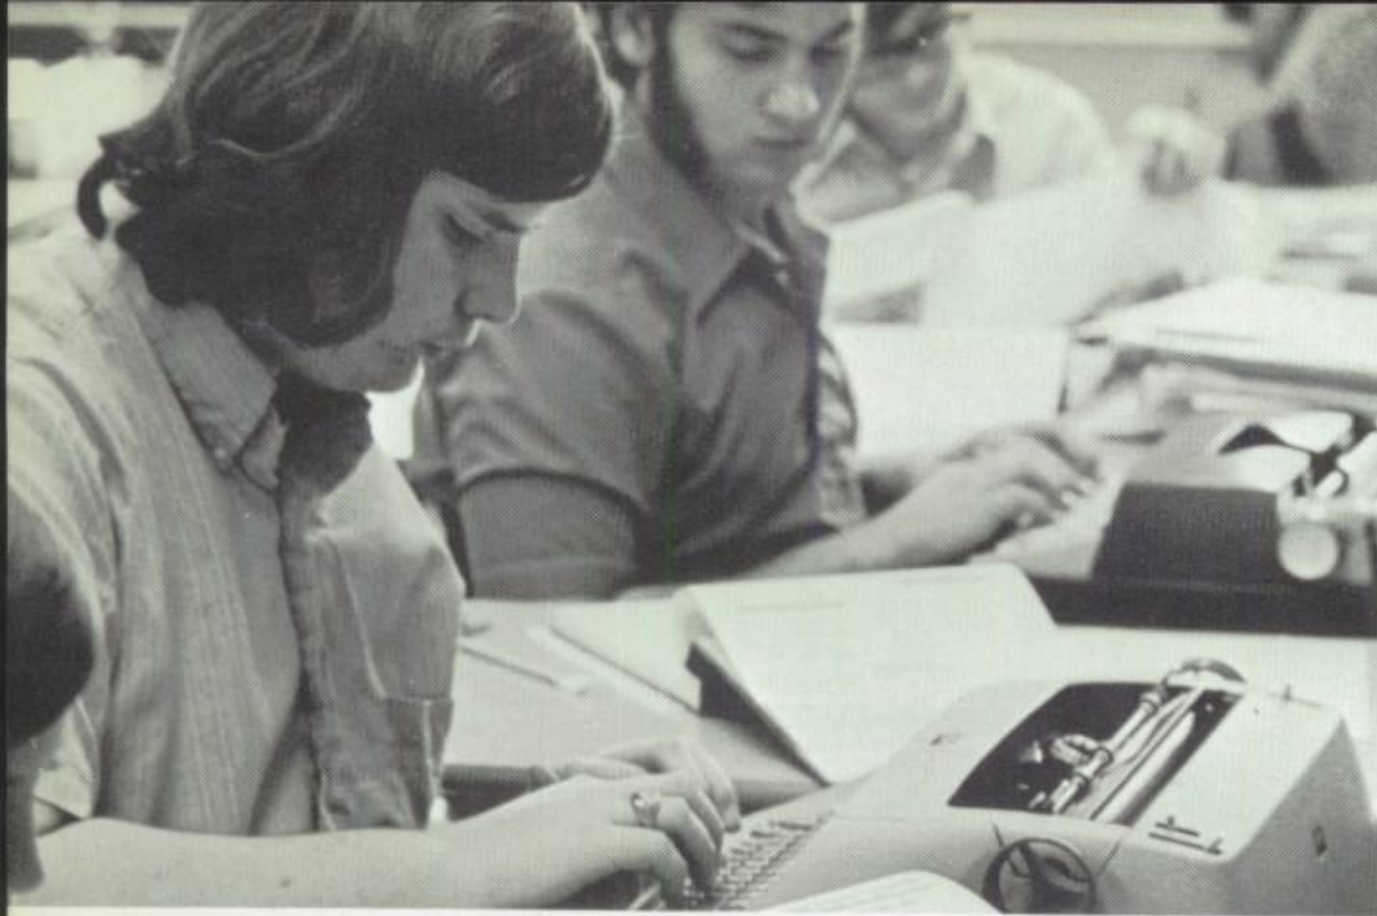

math, logic, and probability.

The Social Studies department introduced sociology and psychology in 1971-72.

Business law, Introduction to business, and Notehand were offered for the first time.

With a mini-course in bachelor science, Home Economics welcomed boys into its kitchens and sewing rooms for the first time, while the Industrial Arts department offered a mini-course in Crafts for N.C.H. girls.

The Vocal Music department created the Capella Choir its membership based on auditioning. Music theory was also introduced.

"Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment, it is as perennial as the grass."

1973 Seniors Are First to Vote

With the passage of the twenty-sixth amendment to the United States Constitution on June 30, 1971, the eighteen-year-old was given the right to vote. This year many N.C.H. Seniors used this right and voted in the National election in November 1972 and in the Primary elections in May 1973.

Only one other nation in the world votes at an earlier age and fifty-three other nations vote at eighteen also.

Jim Wiechers, pictured, a member of the Senior Class stated that he was proud to be part of the first class to use this privilege.
